

▼ Heatsinks f.cool

- ▶ Profile heatsinks and fluid coolers
- ▶ Heatsinks and active heatsinks for processors
- ▶ Board Level heatsinks
- ▶ Cooling aggregates
- ▼ Accessories for electronic components
 - ▶ Thermal conductive material
 - ▼ Fixing material for mechanical components
 - Fastening for mounting rail
 - **Guide rails**
 - Distance sleeves and spacers
 - Vibration dampers and solder terminals
 - ▶ Mounting material for single semiconductors and heatsinks

▶ Cases f.case

▶ Connectors f.con
