If the product or the quantity ordered results in a heavy/ bulky shipment, extra charges and possibly a longer lead time applies. Please contact us on [23815205](tel:23815205) for confirmation.

Product Details

RS PRO Epoxy Coating, Tamper Evident Seal 15 ml

Introducing the high-quality Epoxy Coating from RS PRO designed as a single part, air-drying, tamper evident seals for screws, nuts, tuneable items and other "factory fixed" components where evidence of unauthorised access is required. It is ideal for application onto rotary controls to ensure that settings do not move under vibration loads, for example.

Threadlocking and Retainers
