| Type                  | NPL51X25WH                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Color                 | White (WH)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Features & Benefits   | <ul style="list-style-type: none"><li>• Foam Nameplate labels are less costly than plastic or metal engraved plates, saving material costs.</li><li>• Foam Nameplate labels conform to textured and other low energy surfaces ensuring the labels stay in place for the life of the product.</li><li>• Labels are UV and chemical resistant for long life in an industrial environment.</li><li>• Foam nameplate labels are printable using a thermal transfer printer for complete control and on-demand creation of labels.</li></ul> |
| Quantity Per          | roll                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Product Description   | Foam Nameplate labels are designed to replace plastic and metal engraved phenolic plates commonly found on electrical control panels. The labels provide the look and feel of a plastic engraved or metal plate, but at a fraction of the cost. Labels can be printed using HellermannTyton Tagprint Pro labeling software and can include printed logos, barcodes and text of almost any size and type.                                                                                                                                |
| Short Description     | Foam Nameplate, Rectangular, 2.0" x 1.0", PET, White, 500/roll                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Global Part Name      | NPL51X25WH-PET-WH                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Technical Description | Foam Nameplate, 2.0" X 1.0" Rectangular Nameplate, PET, White                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
