72-10465 - LCR Meter

Measure inductance, capacitance and resistance with this professional LCR meter.

[BUY FROM MCM ELECTRONICS](#)

ATTRIBUTES

SPECIFICATIONS

MANUALS

Display count: 19999
D/Q Display count: 1999

Auto ranging
Real time display test frequency
Auto power off
Low battery indicator
Data hold
Relative mode
USB interface
Analog bar graph
Deviation ratio measurement
Screening and calibration functions
Output impedance: 120Ω
Includes battery, SMD test clamp, USB interface cable, software CD, Multi-Purpose socket adapter, short circuit splice
