Thermal Curves

Thermal Resistance

Thermal res based on a 75 cc

Product Information

Part #	Description	Finish	Board Mounting
PF758G	Solderable slide on heat sink with solderable tabs	Tin Plated	View Hole Dimensions
This non -electronic component is functionally unaffected by the normal soldering or reflow processes used for semiconductor circuits. The heat resistance time or heat resistance temperature is not applicable for the component.			

Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [local representative](#). Challenge us with your requirements - we can design custom solutions.
